

Kathryn Kelly (Gangland Mysteries)

Kathryn Kelly: The Moll Behind Machine Gun Kelly is a biography of the woman who made a career of crime. With a lust for danger, she masterminded the crimes that took her and her husband, and others who included her own mother and stepfather, on a spree across Minnesota, Tennessee, Oklahoma, and Texas. Starting with smaller crimes that included bootlegging, smuggling liquor onto an Oklahoma Indian reservation, and other petty crimes, she encouraged her husband, George Barnes aka George Kelly, toward a life of more serious criminal activity that eventually escalated into bank robberies, kidnapping and extortion. Many believe that it was Kathryn, after giving him a machine gun, who developed Georges feared persona and the name of Machine Gun Kelly. FBI Director J. Edgar Hoover was even convinced that the two were somehow connected in the Lindbergh kidnapping. Kathryn and Machine Gun Kelly were eventually captured after kidnapping Charles Urschel, a wealthy Oklahoma City oilman, and collecting a \$200,000 ransom the largest ransom ever paid at that time. Eventually, the two were captured in Memphis, where Kelly had grown up as a boy. During their trial in Oklahoma City, movie cameras were allowed into the courtroom for the first time as curious spectators across the nation watched. Kathryn, while claiming to be an innocent victim in a bad marriage, remained unrepentant, smiling and primping for the cameras, and writing threatening letters to the judge and attorneys assigned to the case as well as her victims. Convicted in 1933, Kathryn served twenty-five years of her life sentence at FPC Alderson, West Virginia, when in 1958 she was finally released into obscurity. Although much has been written about Machine Gun Kelly, there is very little known about Kathryn. Through narrative, FBI files, rare quotes from George Kellys son and other relatives

and associates, extensive research, and several photographs, Kathryn Kelly The Moll behind Machine Gun Kelly is the first book ever written about a woman who chose to follow a life of crime during the Prohibition era.
