

CORONADO (Knight of Pueblos & Plains)

SEE OUR PHOTOS! This 491-page hardcover was published in 1949 by The University of New Mexico Press. This volume appears to be read very little, if at all; like new in every way internally. There is no dustcover. The black hardcover looks very nice, except for slightly bumped bottom corners. The gold lettering on the spine is very nice. The binding is very solid. Overall, this is a very nice conditioned volume. Please see our 2 photos of our book (on a white sheet).
