

Cronkite Remembers

No one is more identified with the great events of our times than the distinguished and highly honored former CBS Evening News anchor Walter Cronkite. For more than half a century, Cronkite was there celebrating Americas greatest achievements, and helping the nation and world through some of the most difficult times in history. In Walter Cronkite Remembers, Cronkite recounts the journey of his life and his extraordinary career in broadcasting He gives a vivid account of his early days as a World War II correspondent at Normandy and Nuremberg. He retells the highlights of four decades spent behind the anchor desk at the CBS Evening News. When the United States landed on the moon, Cronkite brought us there and joined in a nations patriotic astonishment. When Kennedy was assassinated in Dallas, it was Cronkite who delivered the shocking news to the nation with compassion and empathy. Using exceptional archival material, as well as intimate interviews at Cronkites home, Cronkite Remembers takes us on a truly memorable odyssey through the great stories of our times.
