

Biography and Genealogy Master Index 2011: A Consolidated Index to More Than 300,000 Biographical Sketches in Current and Retrospective Biographical Dictionaries

BIOGRAPHY AND GENEALOGY MASTER Index 2011 Part 2 is the forty-third in a series of updates to the base set, published in 1980-81, and the second of two annual supplement volumes. Together, the two annual volumes in this series provide approximately 600,000 new citations to the cumulative series pool of more than 19.3 million citations. BIOGRAPHY AND GENEALOGY MASTER INDEX is designed to help you easily determine which publication to consult for biographical information. Sources cover both living and deceased persons from every field of activity and from every country in the world. In addition to two annual volumes, individual volumes are cumulated every five years.
