

Descent into Darkness Pearl Harbor, 1941 (The True Story of a Navy Diver)

On December 7, 1941, as the great battleships Arizona, Oklahoma, and Utah lie paralyzed and burning in the aftermath of the Japanese attack on Pearl Harbor. A crack team of U.S. Navy salvage divers headed by Edward C. Raymer are hurriedly flown to Oahu from the mainland. Their two-part orders are direct and straightforward: (1) rescue as many trapped sailors and Marines as possible, and (2) resurrect what remains of America's once mighty Pacific fleet. Descent Into Darkness tells their story.
