

# Healing, Hope, and Wholeness: A journey of grief and healing through travel, people, and music.

Healing, Hope & Wholeness is a mix between a memoir and biography. It is Ceci's journey of finding restoration through music, travel, and community after the loss of her sweet mother. Ceci walks you through her mom's up-and-down battle with cancer, the discovery of her birth dad and half brother, the important role of songwriting, and how traveling across the world helped her find hope again.
