

## A to Z Tongue Twisters for kids

Tongue Twisters are funny phrases, ridiculous rhymes, and silly sentences which are hard to speak fast, usually because of alliteration or a sequence of nearly similar sounds. It helps develop speech skills & helps in speech therapy. This book is all about different humorous and silly twisters for twisting your tongue and giving your tongue a fast exercise with improvement in speech also. I as a Kid used to love tongue twisters and now I am teaching these to my children and also use some time in my class for humour.
