

Crunch!

Crunch! Written around the time of the Credit Crunch these rhymes chronicle the political and other issues of the day with extreme inaccuracy. Absolutely hilarious, politically incorrect and with instantly recognizable storylines, you will want to read them over and over again. With titles including Gordon Brown and the Seven Dwarfs, The Chancellors New Clothes and Northern Shock you will get the idea of what they are about. Not to be relied upon for truth and accuracy but well worth a read. Or several.
