

## ABELL AIRBORNE

Experience Rick's unconventional, edgy, humorous, unleashed fashion of delivering airborne traffic and breaking news. Rick shares true stories of what really happens behind the scenes with people in the news industry. True stories about dicey, amusing and dangerous situations and the people behind them. Rick is known for his quick wit, sense of humor and sweet southern drawl. He will sweep you off your feet or possibly piss you off with the story content of this book. Unpredictable is how listeners describe Rick's reporting style. They looked forward to what Rick would say or do next. Kind of a news roller-coaster ride. Listeners enjoyed the ride with Rick as their Airborn Traffic and Breaking News reporter. Now you can get a glimpse behind the scenes of the real stories or as Rick would say Fly me to my Doom. Rick Abell is an Inductee into the Ohio Broadcasters Hall of Fame. Four time winner of, US Traffic Reporter of the Year. Rick has been a veteran of radio and television for forty-seven years. Author of three novels, two short story books, poetry and song writing. I dedicate this book to my wife Denise Abell, my mother Rosemary Abell, all of my family and devoted listeners and viewers.
