

Handbook of Latin American Popular Culture

The editors have put together a solid overview of ten areas of popular culture in Latin America. The contributors have skillfully overcome a variety of research obstacles as well as the imposing problem of dealing with many countries. Each contributor has expertly assembled scientific research, intelligent observations, and well-thought-out conclusions to offer a reliable, sophisticated study of his particular area. Popular music, sports, television, popular religion, comics, photonovels, film, newspapers, cartoons, and festivals and carnivals are covered in this much-needed volume.
