

Social Media for Small Business: Tips for Using Your Time Effectively (Social Media for Small Business Series Book 2)

Small business owners are already very busy and wonder how to manage time to add social media for business marketing without getting lost in the maze and spending all of their time on the computer. Written by a former time management coach who's also a techie, this book is filled with practical business ideas. Explained in simple terms, the reader can either choose one 10 Minute Task at a time or go into depth and learn to develop a productive lifestyle based on core values and what contributes most to happiness and stress relief.
