

## Inside My Three Pound Universe (Happy Accidents Book 2)

The stories in this way off-the-beaten-path travelogue takeyou through a beautiful, spongy, delightful mass of gray matter. Theyare wry, tender, and carry just a hint of the acerbic. They intoxicate.--Ann BancroftINSIDE MY THREE POUND UNIVERSE Happy Accidents, Volume 2by David BoyneHumorous, hyper-personal essays and stories that ask the question: In the wrestling match called Life, each time we get Head Locked, Bitch Slapped, and Samoan Dropped to the mat--Why do we get back up?A collection of seriously funny and deceptively meaningful essays thatgo off on surprising tangents--grabbing us by the collar and insisting we go along for explorations of everything from the terrors of kindergarten (The First Circle Of Hell) to the bitter-sweet failures of step-parenting (For My Collection) to the shocking discovery of the Purpose of Life (Quo Vadis, Dude?). On our journey we will gain practical skills, such as mastering the art of recalling our dreams (Row Row Row Your Boat) dealing with shark attacks (Whos In Charge?) and deciding what we should take and what we should leave behind (Sailing Alone Around The World). These stories take you on a sardonic ride as curvy as it is bodacious. Yeah. Sardonic, curvy, bodacious. --Julie Ann Weinstein, Flashes From the Other World
