

Lipstick And Blood

4-Sided Love Triangle Michelle Hetzel, Keary Renner, and Devon Guzman were three high school girls who shared a secret: their lesbian desires. After high school, Michelle married Brandon Bloss, 25, while Keary and Devon lived together. Michelle used her husbands credit card to finance a trip for herself and Devon to the island of St. Croix, where they were secretly wed. Back home in Easton, Pennsylvania, on a night in June 2000, Devon broke up with Michelle, and a series of violent quarrels ensued among the foursome. The next day, Devon was found dead in her car.

Geometry Of Murder Devons death was murder made to look like suicide. Her throat had been cut clear through to the spine. Who was the killer? Keary Renner had been physically abusive to Devon in their relationship. Michelle was furious at being rejected by Devon. And Brandon Bloss wanted his wife to stay faithful to him. Forensic evidence indicated that Brandon and Michelle were the culprits. A jury agreed, sentencing them both to life prison terms. Here is a searing true account of secret lives, lethal passions--and savage murder. Includes 16 pages of shocking photos. John Kearney has been an award-winning newspaper and science writer for fifteen years and served for three years as a writer and editor for Diagnostics Intelligence, a scientific publication on blood and DNA testing.
