

## Life as Sutch : The Official Autobiography of a Monster Raving Loony

Lord David Sutch has enjoyed the unstinting support of the silent majority since the early 1960s. Growing up in Kilburn, North London, he took his inspiration from Winston Churchill, Wing Commander Bill Boakes and Bill Haley. He first stood for Parliament in 1963 in John Profumos ex-constituency and created the popular Monster Raving Loony Party. Since then he has never looked back. Lord Sutch's amanuensis and campaign manager is Peter Chippindale, co-author of Disaster! the Rise and Fall of News on Sunday and Stick it up Your Punter.
