

Lost Wings: The True Story of a Disgraced NYPD Cop

Pulsating with the heartbeat of the city that doesn't sleep, *Lost Wings: The True Story of a Disgraced NYPD Cop* is an all-points bulletin—a revelation of life as it is lived day-by-day by the men and women in blue whose firmly held territory is your neighborhood precinct. Former officer Chris Ramos, who wanted only one thing—to be a New York City police officer—takes us along on his daily tour of duty: eight terror-soaked hours and thirty-five minutes in the Alamo war zone, where every second is ticked off in gunshots or the harsh discord of domestic violence. Robbin Christopher Ramos pulls no punches, and after reading *Lost Wings*, you will never look at a city policeman in the same way again.
