

Never Say Never: Finding a Life That Fits

Beloved teen star, talk-show host, and media personality Ricki Lake reads her uplifting and revelatory memoir about turning forty, losing weight, and reinventing oneself at any age. Audiences first met Ricki Lake as Tracy Turnblad in the original *Hairspray*. They fell in love with her as the spunky, no-holds-barred host of *The Ricki Lake Show*. And they came to respect her as the executive producer behind *The Business of Being Born*, a groundbreaking documentary on childbirth in the United States. Now, Ricki's many fans will get to know her in a whole new way. In this intimate, bold, and relatable memoir, Ricki takes listeners into her childhood home in Westchester County, where her parents once liberal Jews became born-again Christians. She reveals the sexual abuse she endured, and the subsequent food issues and weight problems spawned from that trauma. She pulls back the curtain on her life as a celebrity, from *Hairspray* through her decade-long talk show to the reinvention of herself as an author and filmmaker on the subject of alternative childbirth. Along the way, Ricki has weathered near bankruptcy, a brutal divorce, and a string of broken romances, while also giving birth to two sons and raising them as a single mother under circumstances that would knock some of the strongest off their feet. But not this fighter. *Never Say Never* gives listeners an empowering example of the way one woman learned to take responsibility for her emotions, trust her gut, and turn an unconventional life into an unparalleled triumph.
