

Its Orff Showtime!: Songs, Dances, Chants, and Orff Accompaniments for Elementary and Middle School Students

A collection of performance pieces especially designed to impress, because nothing shows off a school better than children singing, playing, and dancing! Includes selections for lower elementary students that incorporate instruments and body percussion with special words in speech pieces, songs, games, puppets, dances, and improvisation activities. For older students, there are more sophisticated rhythmic, vocal, and instrumental experiences, as well as dances that create exciting orchestrations.
