

# MY STORY: FROM WELSH MINING VILLAGE TO WORLDWIDE MINISTRY

This is an autobiography that will be welcomed by all, not least those who have followed the founder of CWR through the pages of Every Day with Jesus. How Selwyn came to write the daily devotional is a major theme in his story. Told with refreshing candour, he traces his story from his roots in Wales a few years after the great revival there through his conversion and call to the ministry, his experiences as a pastor, itinerant evangelist and pioneer in the Christian counsellor training field. His story tells how CWR grew into a respected worldwide Christian organisation, of the struggles to turn a derelict Waverley Abbey House into the Christian training centre it is today. Selwyn bares his heart in telling of Gods love, grace and strength in upholding him through the loss of family members and in his own battle with cancer. My Story is inspiring and faith-building. Product Features: The eagerly awaited story told by the man himself Inspirational and uplifting whilst being open and honest 16-pages of photographs The enthralling story of a life devoted to revival
