

Painfully Employed: Hilarious Stories, Funny Thrillers: Humorous Nonfiction Short Stories: Tragic, Funny Short Stories on the Woes of Work;

Look at how you drag your flabby, 8-hours behind-a-screen, sag of a body from the warm cocoon of the bed sheets at 6:45 every morning. You slog your way through five days of meaningless tasks and mental debauchery with indifferent coworkers whose main job is to justify that they even have a job! Have you ever dreamed of flinging that final F-YOU! to the boss and storming out while blackmailing the company for \$60,000.00 a year? Well, that's kind of what I tried to do...except it didn't turn out quite the way I expected. Find the funny side of work and learn to live again! Your life may suck, but at least we can commiserate together! Painfully Employed is a humorous nonfiction bestseller, featuring a collection of hilarious stories and funny thrillers from one miscreant's journey through various employment. Listen to what the critics are saying about Painfully Employed: *It's like they took the hilarious stories of my work life and inscribed them on the bathroom stall! *This better be a New York Times Best Seller, because my tighties aren't so whitey anymore! *There were moments in these short stories that were so awkward that all I could think about was how glad I'm not that guy! *I was reading this on my daily commute: humorous nonfiction is the understatement of the century! I laughed so hard I got fired! No regrets!
