

## Tania la guerrillera del Che (Spanish Edition)

Los padres de la joven huyeron de Alemania con el fin de huir del régimen nazi, por lo que Tamara siempre tuvo noción de la influencia que ejerce la política sobre la vida cotidiana. Cuando ella llega a Cuba, pronto se convierte en la interprete del Che Guevara y usa su talento de traducción para hacer una versión en español de textos de Marx y Engels. En 1963 realizó uno de sus máximos anhelos: dedicar su vida a la Revolución Cubana. Tras un arduo entrenamiento militar se convirtió en una guerrillera sobresaliente; fue así como recibió el nombre de Tania. Durante su ejercicio político le fue necesario adoptar diversas identidades, lo cual el autor utiliza como ejemplo de templanza en su carácter. El Che envía a Tania a Europa Occidental con el fin de prepararse para su desempeño en el proceso revolucionario de Bolivia. Tania muere en pie de guerra, víctima de una emboscada.
