

## The Art Of Sarcasm

Aaron Smith returns with his second entry entitled *The Art Of Sarcasm*. This picks up where *Way Of The Asshole* left off. Using satarical humor, Mr. Smith enables the reader to utilize their talents within by using banter and witty puns that some may have not known even existed. Sarcasm has been put out in many forms but Aaron does it in a way that is not only funny but enlightening, it is a true hilarious take on life, love and all in between.
