

Henry Bullinger

This biography of Henry Bullinger is the first full-length study of his life and works ever to appear in the English language. Today he is almost unknown amongst English-speaking Christians, yet he was the best known theologian in Britain during the entire Reformation period. Dr George M. Ella is a historian and theologian. He has written definitive biographies on William Cowper, William Huntington, John Gill, James Hervey and Augustus Montague Toplady. His theological output includes works on Justification, Common Grace and Law and Gospel in the Theology of Andrew Fuller.
