

## Codewords Volume 2: 100 fantastic codewords puzzles

Welcome to this fantastic collection of 100 brand new codeword puzzles. If you've not come across a codeword before, it is a coded crossword puzzle. Here are the rules of codewords: - Each letter from A - Z has been replaced with a number from 1 - 26. - You need to work out which number represents each letter of the alphabet. - Every letter appears in the grid and is represented by just one number. For instance, the number 20 might represent the letter S, which would mean you could write an S into every square in the grid that contains the number 20...
