

The Relief Fisher: A Parody of Mariano Riveras The Closer

THE RELIEF FISHER is the incredible story of how a skinny, smelly fisherman from Puerto Stinko, Panama became the greatest closer in baseball history! In Marianos own words, youll hear about growing up in Panama, where Mariano learned to play baseball using a fish for a glove, and a fish for a bat, and a fish for the ball. Youll be inside the Rivera familys shack as Mariano signs his first contract with the Yankees for 250 sea bass. And youll swim in a stormy ocean next to Mariano as hes saved from drowning by a talking dolphin. In THE RELIEF FISHER, Mariano takes you inside the dugout and into the clubhouse for a never-before-revealed insiders perspective on the great Yankee teams of the last two decades! Youll hear about the time Derek Jeter made a throwing error because he was grabbing a girls butt with his other hand. Youll watch as Paul O'Neill destroys a water cooler because he only hit a double rather than a home run. Youll learn about the Yankees secret practice of putting Yogi Berras embalmed body in a wheelchair to make people think hes still alive. And youll be there at Yankee Stadium when Mariano attempts to kill all the band members of Metallica for writing Enter Sandman. From A-Rod to Cano, from Tino to Torre, all the Yankees greats are here! And so is the worst Yankee ever, Jim Leyritz. Last but certainly not least, youll get the unique perspective on baseball and on life that can only come from Mariano Rivera. Mariano will tell you:--Why Red Sox fans are the dumbest people in America--Why his all-time saves record is much more important than Derek Jeters 3,000 hits--Why no one in baseball listens to the pitching coach--Why Edgar Martinez is the worst human being in the world! Its no surprise that it took the greatest closer ever to write the greatest sports book ever. Whether youre a Mariano Rivera fan, a baseball fan, or just a fan of fish, youll love
