

# The Liberals Guide To Combating Donald Trump and His Supporters

The Liberals Guide to Combating Donald Trump and His Supporters is the ultimate guide to defeating Mr. Trump once for all. It goes through ways, lesson by lesson, for liberals to deal with his constant fear-mongering, racism, and sexism. Oh yeah, and I literally wrote it in two days. Its the worst written book youll probably ever read, and highly sarcastic, but hey its a lot of fun. Make sure you get a copy, tell your friends, and put #NeverTrump on Twitter.
