

The Spy Wore Red

1943: Beautiful young American model Aline Griffith is recruited as a spy, trained, and flown to Spain, with her mission to infiltrate the highest echelons of Spanish society and uncover secret links to the Nazis. Under the code name Tiger, this remarkable woman probed the depths of the Nazi underground, risking her life -- and her love -- in a glittering world of high intrigue far more exciting than any fictionalized thriller. The Spy Wore Red is a harrowing first-hand account of the dangers and adventures she experienced as an undercover agent.
