

## When We Were One: Stories Of World War II

Before W. C. Heinz embarked on his illustrious career as one of the premier sports writers of the past fifty years, he served as a war correspondent for the New York Sun. Now for the first time ever, Heinz's finest work on World War II, written both during and after the war, is collected in one volume. From his first-person account aboard the U.S.S. Nevada during D-Day in 1944 to his legendary dispatches from the towns and battlefields of the European front, Heinz vividly conveys the courage, humor, and humanity of men under fire. Whether describing a battle scene or a soldier, Heinz brings home the war like few others ever have. In the second half of the book, he and his fourteen-year-old son, Bud, revisit the beaches of Normandy with D-Day veteran Major General Earl Rudder, who recounts his experiences there; in another story he describes, in his patented you-are-there style, the morning three German spies were executed; and in the concluding piece, Heinz revisits many of the towns he journeyed through as the American army fought its way across Europe twenty years before. *When We Were One* is a superb collection of writing on World War II that ranks with the finest ever assembled on any war.
