

## A Newbies Guide to Play Station 3 (PS3)

Games systems used to be simple--plug into TV, put in game cartirage, power on...and occasionally spend several minutes plugging dust out and putting it in at just the right angle! Today game systems are more than game systems--they are multi-media powerhouses. In the case of PS3, it is a full on computer.This guide will help you get the most out of your PS3 and everything thats built into it--from adjusting parental settings to changing the way it looks.GameCaps Walkthroughs was started as a way of bringing cheap, reliable, and informative game walkthroughs and system profiles. Our library is growing more every month.
