

## So Many Bridges (U) (Ulverscroft Large Print Series)

One Sappers War. Ned Petty was a carpenter who joined the Royal Engineers at the outbreak of war in 1939. His is a soldiers tale, homely, humorous and moving. Ned was one of the first Englishmen sent to the 53rd (Welsh) Division, and he describes the early days in Wales, training in Northern Ireland, and life in wartime Kent. Then came Normandy and ten months of fighting. It is a mark of Neds modesty that he does not mention his winning the Military Medal. He is now a farmer in Sussex.
