

What All Men Want

NOVELTY ITEM! Since the beginning of mankind, women have always wondered what it is that men want. Covered in a shroud of secrecy and maintained by men amongst each other, the mysteries of mans thoughts and desires are carefully kept secret from the opposite sex. This conduct has left women in a blank until now In this earth-shattering book, with the risk of invoking the worldwide fury of all male human beings, dr Winston Woolridge, breaks mens unspoken confidentiality code by revealing the ugly truth about what all men want. A surprising and even disturbing account. Take a peak inside but beware; this book could be a life-altering experience. Ps Warning: This book is meant as a humoristic novelty item!
